LIFETIME MANUFACTURER'S WARRANTY

Decor & Company, the manufacturer, is proud to extend a lifetime warranty on all Decor Hardware products manufactured after January 1st, 2006. This warranty extends to the original retail purchaser. This warranty does not cover normal wear and tear or any damage or loss caused by accidents, alterations, misuse, abuse or extraordinary use, exposure to salt air, insect damage, improper installation, cleaning or other maintenance. Warranties shall cease to be effective if the product has been moved from its original place of installation. All products finishes will gradually lose color intensity after long term exposure to the sun, this color loss or fade is not covered by the warranty. Warranties do not cover removal, installation replacement or shipping costs. The warranty coverage will be for as long as the original retail purchaser owns the product, properly installed in its original location. Some states do not allow limitation on how long an implied warranty lasts, so the above limitations may not apply to you. If Decor Hardware product is found to be defective during the warranty period we will, at our discretion, either repair or replace the item(s) without charge. Discontinued items will be replaced with the closest equivalent current product. Repair or replacement of defective products is the sole remedy under this warranty and in no event shall Decor & Company be liable for cost to remove, transport, or reinstallation of the product, or incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state. To obtain service under this warranty, return product along with the original sales receipt to the dealer from which it was purchased. You will be responsible for transporting the product to and from the dealer. Decor & Company, Newark, California.

TERMS OF SALE - Manufacturer/Distributor Conditions & Policies

1. Freight will be added. **2.** Terms are Net 30 Days on qualified accounts (subject to credit limits). Prepayment is required on all other orders; for your convenience we accept Visa, MasterCard, American Express, and Discover. **3.** Merchandise received in damaged condition must be accepted and held for inspection by carrier. Damage claims must be made within 10 days. **4.** Returns will not be accepted without authorization. Buyer pays all freight costs, and a 20% restocking charge (the product must be in undamaged condition to receive credit). Credit will not be issued for products which have been installed. Enclose a note with the reason for return and the invoice number. Returns must be made within 30 days of purchase. **5.** Air shipments are subject to the carrier's rules, so are not guaranteed in case of weather delays, etc. **6.** Most orders ship UPS or FedEx; Poles over 8 feet in length can only be shipped via common carrier (large truck). Always consider the possibility of, for example, getting two 6' poles and splicing them together instead of one 12' pole; a center support will hide the join, and you will probably save well over \$100 on shipping alone. **7.** Shipping errors, shortages, etc. should be reported within 3 days of delivery. After 3 days, the distributor's responsibility will be limited to replacing defective items or shortages by Ground Shipments only. Buyer will be responsible for paying for any Air Shipping requirements when errors, defects, or shortages are reported after 3 days of the original delivery. Visible defects, errors, or shortages must be reported within 30 days. Under no circumstances will Decor Company or its distributors be liable for any installation or re-installation costs for any reason whatsoever.

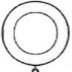

CHECK ALL PURCHASES UPON THEIR RECEIPT.

8. BACK-ORDERS (though rare): Please allow an extra 4-8 weeks for delivery.

9. Prices are subject to change without notice.

PLEASE NOTE: Finish 35 - Unfinished has been DISCONTINUED for ALL products
